Yellow warning
**Ice**

Between
**21:00 Mon 21 Jan 2019** and
**11:00 Tue 22 Jan 2019**

## Icy stretches are likely to form on Monday evening and into Tuesday morning.

### What to expect

- Some injuries from slips and falls on icy surfaces
- Some ice on some untreated roads, pavements and cycle paths

### Further details

A band of rain will clear Northern Ireland on Monday evening with surface temperatures falling away behind this and icy stretches likely to form on some untreated surfaces.

Wintry showers will push into the country from the northwest overnight, with a few centimetres possible across northern and western counties, especially over higher ground.
